June Meeting Hilites

President George Graham conducted the meeting, with the usual committee reports and trip highlights.

We need trail bosses for July & August. Having our annual club picnic was discussed, but table until we could talk to Bill Maddux.

Jim Kenney was rounding up the last of club dues. Bill & Kate Rowland were the only ones at this time that will not be renewing.

Mary reported that the maps for the INF road inventory are available in R/C & she will set up a time to view them.

Gary Luckeroth won the 50/50, which will help pay, in a very small way, his gas to the meeting.
